

CITY OF HAYWARD AGENDA REPORT

AGENDA DATE	7/28/98
AGENDA ITEM	6
WORK SESSION ITEM	

TO: Mayor and City Council
FROM: Director of Public Works
SUBJECT: **CONSTRUCTION OF WHEELCHAIR RAMPS AT VARIOUS LOCATIONS AND SIDEWALK IMPROVEMENTS ON TENNYSON ROAD: APPROVAL OF PLANS AND SPECIFICATIONS AND CALL FOR BIDS**

Recommendation:

It is recommended that the City Council approve the plans and specifications and call for bids to be received on August 25, 1998.

Background/Discussion:

The project consists of constructing 156 wheelchair ramps at various locations throughout the City and constructing missing sections of sidewalk on the southside of Tennyson Road between Harvey Avenue and Lustig Court. The locations for the ramps shown on the attached list have been established by requests received from disabled individuals and from City staff investigation based on the wheelchair ramp construction priorities established in accordance with the Americans with Disabilities Act (ADA). The sidewalk improvements on Tennyson Road were identified in the Harder/Tennyson and **Tennyson/Alquire** Neighborhood Plans.

The project is categorically exempt from the requirements of the California Environmental Quality Act, based on Section 15301(c), which addresses minor alteration of existing sidewalks.

Staff has established a combined goal of 8 percent for Disadvantaged Business Enterprises (DBE) and Women Owned Business Enterprises (WBE) participation for this project. The combined goal is limited due to the lack of available subcontracting opportunities.

Project Cost:

The estimated project costs are as follows:

Contract Construction	181,000
Seven ramps previously completed by Purchase Order	5,900
Relocation of crosswalks and traffic signs, and adjustment of water meter boxes (by City crews)	3,000
Design and Administration	22,000
Inspection	10,000
TOTAL	221,900

Funding:

A total of \$215,000 appropriated in the current Capital Improvement Program is available for this project. This includes \$180,000 in the Gas Tax Fund, and \$35,000 in the Transportation System Improvement Fund. Depending on actual bids received, additional funds may be requested for appropriation at award.

For fiscal years 1996197 and 1997198, the Metropolitan Transportation Commission (MTC) allocated a total of \$176,777 of Transportation Development Act Funds to the City of Hayward for construction of wheelchair ramps. The City will recover this amount upon completion of this project.
